

ADDRESS: entire complex. We also hope to continue collecting furniture and fixtures from descendants of pioneer families making this truly a Heritage House.

The Junior Women's Club of San Bernardino has agreed to coordinate the docent program, to go into effect by the end of 1983, allowing the house museum to remain open daily from 11 to 3 on weekdays and 1 to 3 on weekends to exhibit special collections in our Santa Fe Federal exhibit room. Barbara Potter's beautiful water colors depict some of our early historical buildings and beautiful scenery. They will be on exhibit May 20th to 27th. The historical photographs from our collection assembled by Cas Sermak will be on view only today.

To all of our donors and participants, our gratitude, and to all the citizens of San Bernardino, we hope you will safeguard this establishment and help us in preserving the past for the present and future generations.

Members of the Women's Club will have an etching of the Heritage House for you, also pen marked Santa Fe Federal for your trivia collection.

Our thanks to our religious leaders for their blessings, the United States Marine Corps Color Guard, and Pacific High School Band. Your last hurrah will be documented as part of this days activities.

Thank you for coming. We hope that the documentation of this day will capture the excitement, love and dedication that has been a part of establishing this cornerstone of history.
